

From the Principal's Desk

We have completed a little more than a month, all things in school have stabilized and the school is running smoothly but steadily with an incorporation of scholastics and co scholastics activities in the right proportion. Lessons are being delivered with utmost care by strictly adhering to the lesson plan. Diary and Notebook checking have become routine. Class observations and feedback are being done as per the set standards. Uploading of Homework and follow up on completion is being monitored regularly.

Elections were conducted and the new cabinet has been installed in school. The cabinet members will discuss the areas of development in school. The badges of responsibility were handed over to the cabinet members and the oath was administered by the previous captain of the school.

This was followed by the ASE award ceremony where students who excelled in overall academic performance, in various subjects including dance, music, sports and for demonstrating improvement. The elated parents attended the ceremony and witnessed the glorious moment.

The students of Young Kalam, Young Columbus, Young Kalpana competitions were conducted at the school level to choose the best communicators. The winners will participate at the state level and then the national level if qualified.

Students visited the Rajarajeswari Dental Hospital and thanked the doctors for their selfless service. The doctors felt touched by this gesture and appreciated the students and the accompanying teacher. Period Test 1 is completed for all grades and the Parent Teachers Meeting is scheduled for August. All the activities in school are shared with parents on neverskip and other platforms.

Team Tattva looks forward to your support in all its endeavours.

Investiture Ceremony

The Investiture Ceremony, a grand event filled with pride, honour, and anticipation, marked a significant milestone in the journey of Tattva School. It was a momentous occasion where the torchbearers of tomorrow were bestowed with responsibilities and entrusted with leadership roles. The air was abuzz with excitement as the school community gathered to witness the investiture of the deserving young leaders who would steer the institution towards a brighter future. The students radiated confidence and determination as they prepared to assume their roles as prefects, captains, vice-captains, and house representatives. The investiture ceremony was graced by esteemed guests, Police sub-Inspector Jnanabharti Police station, Mohan Kumar D.R, Ms. Ashwini Muniraju, President of Kumbalgodu Panchayat and Mr. Venkategowda, Vice president of Kumbalgodu panchayat. The ceremony was witnessed by faculty members, proud parents, and the entire student body. The athlete track was adorned with colourful banners, representing the various houses and the values they embodied. The atmosphere was charged with anticipation as the principal delivered an inspiring speech that emphasized the significance of leadership, responsibility, and integrity. One by one, the names of the newly appointed leaders were called out, and they stepped forward with heads held high to receive their badges of honor. The badges, gleaming with significance, symbolized their authority and commitment to serve the school community. The chief guest pinned the badges onto their deserving shoulders, further reaffirming their trust in the young leaders. The captains and vice-captains of various sports, HSCP Committee, Disciplinary Committee and Anti-Bullying committee pledged to lead by example, encourage teamwork, and strive for excellence in

their respective domains. The investiture ceremony served as a reminder that leadership is not just about titles, but about embracing responsibility, upholding values, and making a lasting impact on the world around them.

Adhwaya A Padaki, Grade X 'B' - Head Boy

As the School Head Boy, I would like to see this school succeed. Whether it is academic performance, athletic performance, or extracurricular activity. I want this school to be the first in everything. Over the years, I've discovered that students have unique talents that cannot be obtained elsewhere. With their enormous skill and understanding, I hope to assist my school in reaching new heights.

Kanasu K Nadig, Grade X 'B' - Head Girl

As the School Head Girl, I want the school to be successful in terms of discipline, academics, and sports. I shall do my best to fulfill these commitments. School life should not always be about academics; instead, students should enjoy their time at school. Students must have a safe and enjoyable learning environment at school, which I will try to provide. I will do my best to meet every student's needs and opinions.

Jeevith Kumar M, Grade X 'B' - Sports Captain

As the School Sports Captain, I want our school to reach new heights in sports. I would like to organize more interschool and inter house competitions. I will ensure that everyone, not only middle and high school students, but also preprimary children, participates in sporting events. I would also like physical education to be given the same priority as academics.

Activities @ School

Dipankar Singh, Grade IX 'B' - Sports Vice-Captain

As the Sports Vice-Captain, I want to develop a competitive spirit in my teammates. This year, I wanted them to appreciate the importance of teamwork and sportsmanship. I would like to hold inter-house and inter-school tournaments in school to encourage students to excel in this sector.

Aayushman Thakur, Grade V 'B' - Junior Head Boy

As the Junior Head Boy, I am responsible for maintaining discipline among the pupils as well as exhibiting good behavior and integrity. I will motivate others to follow the school's code of conduct. I intend to make improvements so that a school can serve as an example for other schools.

Ishanvi Sudheendra Upadhyaya, Grade V 'A' - Junior Head Girl

As the Junior Head Girl, I will be a voice for the students, representing their interests, suggestions, and concerns. I will ensure that the classroom is neat and clean, and I will also provide membership and advice to younger children.

Doctors' Day Visit To Dental hospital to thank the doctors for their service

To acknowledge the contribution and to honour our saviour's effort, National Doctors' day was celebrated at Tattva School with great zeal. The occasion commemorates the spirit of doctors across the globe who works day and night to ensure well-being of patients. So, as a token of gratitude, students greeted doctors of RR hospital by giving thank you card children thank the MEDICAL FRATERNITY for their selfless contributions. The students also presented roses and gifts to the doctors and expressed their gratitude for their presence and dedication. Workshops were organised by the doctors of RR Hospital for the Pre-primary, Primary and middle school children separately on the topic on dental health. They made the students realize and understand the importance of healthy teeth and its maintenance.

Activities @ School

Research a Topic and share

Students were engaged with research a topic in newspaper as it is a valuable activity that offers numerous benefits for individuals of all ages. Students were able to know about current events, to enhance their general knowledge, develop critical thinking skills, improve language proficiency, promote civic engagement, and foster media literacy.

Understanding quadrilaterals

Students were able to verify that the sum of exterior angles of any polygon is 360 degree by paper cutting and pasting. They also verified it to be true by experimenting on various polygonal shapes.

Mathematics - Integers

According to the teacher's directions, the students were able to add or subtract integers by playing the game of hopscotch. They were graded according to how quickly they moved along the number line and stopped at the precise number that was determined to be the correct response. The game was a hit with the class when they played it together.

Science - Measurement and Motion

Students were allowed to create a jitterbug model. And by engaging in this jitterbug activity, an object can display multiple types of motion simultaneously.

Mathematics - Factors

Students were able to find the prime numbers between 1 to 100 by crossing out the multiples of 2,3,5,7,... It was observed that the numbers which were left out without crossing out were prime numbers which have factors as 1 and

to alphabetize, children go through four stages:

1. Arranging letters in order,
2. Alphabetizing to the first letter,
3. Alphabetizing to the second and third letters.
4. Study advanced rules.

Students were shown instances of how, when two or more words begin with the same letter, the second letter comes into play when sorting items alphabetically. If the second and third letters are the same, the fourth letter must be evaluated, and so on.

Special Assembly

Doctor's Day

The Indian Government officially declared National Doctor's Day date as 1st July in 1991. The decision was made in order to celebrate the birth anniversary Dr. Bidhan Chandra Roy, a renowned physician and the second Chief Minister of West Bengal. Doctor's Day is the perfect opportunity to talk about the contribution of doctors in our lives and in society as a whole. Doctors are the fighters and the heroes that need to be acknowledged more often. Children created charts for Doctor's Day, which were shown in the assembly.

World's Emoji Day

World Emoji Day was first established by the founder of Emojipedia, Jeremy Burge, in 2014. The 17th July was chosen as the date displayed on the "calendar" emoji, which is extensively used across multiple platforms. The goal of the day is to recognize the importance of emoji's in digital communication and to celebrate their global popularity. Emoji's have become an important aspect of modern communication, allowing people to convey their feelings, ideas, and sentiments in a short and globally understandable manner. They have overcome language boundaries and developed their own global language. Children created charts for World's Emoji Day, which were shown in the assembly.

World Conservation Day

World Conservation Day is a vital occasion that raises awareness about environmental protection and biodiversity conservation. On this day, students expressed the importance of preserving our natural resources and fostering sustainable practices to safeguard the planet for future generations. They made inspirational chart, presented speech and amazing facts

Friendship Day

International Friendship Day is observed around the world to raise awareness and encourage people to instill a sense of friendship in all relationships. Every year on the first Sunday in August, Friendship Day is observed. Friends are persons in our lives who deeply understand us and will be with us for the rest of our lives. Friends will accept you as you are and listen to you whenever you need them. Your friend is the one person who will not be jealous of your achievement and will continue to motivate you for as long as you need them. This is a wonderful relationship that inspires you to be uniquely you. And it's worth commemorating this really special day of friendship. Students celebrated the day with their friends and teachers, exchanging friendship bands and chocolates and maybe making lifelong friends. In the assembly, the students displayed friendship day charts and performed a dance and a skit about friendship.

PARENT FEEDBACK

All India Ryan Championship

The Young Columbus Competition conducted for grade IV students was a good forum for the children to showcase their presentation skills. And, the kids were nothing short of brilliance. It was a great initiative. The coordinators and management conducted it seamlessly. The kids were encouraged and supported throughout. As a parent, I was also given the opportunity to watch my son present it at school level. The level of sophistication exhibited by students was commendable. I want to thank the school and management for putting up a brilliant show!
