Dear Parents,

Greetings to you!

Teaching is the mothers to all professions. We are all aware that Good Teachers know how to bring out the best in Students; Teachers play a critical role in shaping students' lives. A mother gives birth but a Guru (Teachers) gives life. Also, we need to remember that one Book, one Pen, one Child and one Teacher can change the world. So, let us all celebrate Teachers Day, not for a day, but for a lifetime!
