## FROM THE PRINCIPAL'S DESK

Dear Parents,

Greetings to you!

It is my pleasure to welcome you all to Tattva Pearson School. Every child at Tattva comes with an expectation. It is great to watch them unfurl into wonderful individuals by the end of the academic year. We support them and help build their self-confidence so that they accomplish their academic, social and emotional goals.

At Tattva, we believe that we are not a team of administrators or teachers. We are a group of co-learners and along with our students we too learn and grow each day and evolve with them. This is a harmonious process of co-learning wherein we enjoy every moment spent with our young learners.

We invite your support to make this new venture a success !
