

From the Principal's Desk

Dear Parents,

Warm greetings to you all from Tattva School!

The school which was quiet for about a month or more and actually filled with chatters and laughs! There was life back in school and the entire area felt happy and charged with great spirits! The teachers were very happy to welcome the new and the old students with open arms! The entire school witnessed a fun filled, happy reopening day on the 27th May 2024.

Our schedules for the year were readied and shared with the children by their respective class teachers. This year too, the school has well qualified and experienced teachers to facilitate the children's learning in classrooms.

We have a tie up with SaPa for Music, ASDA for Dance alongside Innovation Lab. Will continue with our English Language Enrichment Programme (ELEP), Science experiential Learning Programme, Math lab activities, Math Centre of Excellence –Skills development programme. Scholastics and Co-scholastic activities and CCA will be executed as per schedule. Club Unit tests and periodic assessments will be conducted every year. We have a tie up with 91 Sporting Company to run in the school and after school sports at school. Athletics will also be focused on from this year.

We are very proud to announce that the school has achieved 100% results with 23 distinctions and 57 first classes in grade X CBSE board exams and we have started grade XI –Science from this academic year. We thank all the parents and PTA members for their cooperation last year and anticipate the same cooperation from you all this year too.

Wishing all of us the best for this year's journey! May God be with us in all that we do this year and always!

**- Ms. Mamatha Rao,
Principal, Tattva School**

Events & Activities

Bilateral activities - Prep II & I

Outcome: Learners were able to

Learners were instructed to use both hands together to trace patterns such as zig-zags and curves drawn on an A4 sheet. This practice enabled them to effectively and purposefully complete activities and tasks that require coordinated use of both hands.

3 Sha - Prep II

Outcome: Students were able to identify the difference Between Cube and Cuboid.

Learners were given models of a cube and a cuboid to observe the shapes and identify their differences. They were asked to count the number of faces and sides to distinguish between the shapes.

Investiture and ASE Award Ceremony

The Investiture Ceremony at Tattva School was a grand event, marking a significant milestone as our young leaders were entrusted with new responsibilities. The event was filled with pride and anticipation as the school community gathered to witness the investiture of our prefects, captains, vice-captains, and house representatives. The ceremony was graced by Chief Guest, Mr. Manjunath G. Hugar, Police Inspector of Kumbalgodu Police Station. Our Principal's inspiring speech emphasized leadership, responsibility, and integrity, setting the tone for the ceremony. With heads held high, our newly appointed leaders stepped forward to receive their badges of honor, symbolizing their commitment to serve the school community. We proudly elected our Head Boy and Head Girl, Junior Head Boy and Junior Head Girl, Sports Captain and Vice Sports Captain, house captains and vice-captains for Red, Blue, Yellow, and Green, as well as HSCP

Activities @ School

and ABC Committee Captains. The captains and vice-captains pledged to lead by example and strive for excellence. In addition, ASE Awards were presented to students who scored above 90% in their respective subjects, celebrating their academic achievements. The event also featured a well-coordinated march past, vibrant dance performances, and cultural presentations, showcasing the talents and discipline of our students. The investiture ceremony was a reminder that leadership is about embracing responsibility and making a lasting impact. Thank you to all parents for their presence and support. We look forward to celebrating more of our students' achievements in the future.

Shapes

Outcome: Learners were able to recognise the different shapes.

Popsicles were placed in different shapes on the chart paper and made the learners trace with the pencils to recognise the different shapes. This helps to develop their hand eye coordination. It helps the children to identify the sides and corners.

Fire Mock Drill

A mock fire and evacuation drill involving students and teachers was conducted on 20th June 2024 at Tattva School – Kumbalgudu to create awareness among the students about fire-fighting techniques and the ways to respond swiftly in times of such emergency situation. A demonstration of using fire safety equipment was conducted by the experts from the Department of Fire and Emergency services to sensitize the staff and students about life-saving and rescue techniques in case of fire.

A group of staff armed with necessary paraphernalia required

Activities @ School

for firefighting and rescue operations positioned themselves at vantage points to guide and assist the students in the mock fire and evacuation drill.

The “evacuation” operation began moments after the fire alarm alerted the students. The students were immediately evacuated from their classrooms and asked to gather at the assembly area.

The mock drill was carried out in the school to prepare students and teachers for any such eventuality under the fire risk reduction programme.

It was organized to check the readiness of the school to face any such fire emergency and also to make the students and staff aware about the Fire Fighting rescue operation.

Yoga Day

Through practice comes yoga, through yoga comes knowledge, through knowledge comes love, through love comes bliss'

– Swami Vivekananda

The students of Primary school celebrated 'International Yoga Day' special assembly on 20th June 2024, honouring the ancient art of well-being. It was a common programme assigned to the Nursery to Prep II class and all the students and staff participated in it. The morning routine was entirely focused on Yoga. The day started with school prayer and continued with the word for the day and thought for the day all related to Yoga. The teacher spoke about Yoga and its efficacy in today's world situation. A guided video put together by the department of yoga wherein the children demonstrated various asanas.

Activities @ School

15 Book Campaign

Staff and students of Tattva gathered at 8.30 am in the assembly area to launch a very special initiative, "The fifteen book campaign". This was designed to encourage our young readers to delve into the magical world of books.

The event began with the lighting of an auspicious ceremonial lamp, followed by a hearty welcome to the esteemed chief guest Mr. Mukund Sharma and Ms. Sindhu, parents of Atyush who is studying in grade X. They have been associated with Tattva for over ten years.

The chief guest officially inaugurated the fifteen book campaign and shared insightful words with the students which inspired everyone to embark on the literary journey. Mr. Mukund Sharma is the author of a children's story book series titled "The adventures of Maya". The book series introduces children to a world of existing STEM areas through fun-filled adventures.

The author is thrilled to present copies of the book to Tattva school.

A delightful and engaging puppetry story was narrated by our student Aadhya Bhat from grade VI.

Finally, the chief guest was honoured by our principal ma'am. The wonderful event of Fifteen Book Campaign was concluded by a formal Vote of thanks.

Thank you...

Activities @ School

Identifying Shapes - Nursery

Outcomes: Learners were able to identify different shapes.

Outlines of different shapes were drawn on the floor, and the teacher read aloud the names of these shapes, prompting learners to recognize and stand inside them. It was a fun and interactive method to teach learners about shapes, keeping them engaged as they identified and physically positioned themselves within the shapes. This hands-on activity not only aided in recognizing shapes but also reinforced their understanding in a practical manner.

Paper Collage Craft - Nursery

It was a vibrant and engaging day! Learners and teachers dressed up in red, creating a lively atmosphere with the symbolism of the color. The Paper Collage Craft activity was conducted creatively to allow students to express themselves. Singing rhymes about the color red such as 'My Red Balloon' and 'Roses are Red' added a cheerful mood among the learners. It was a wonderful day where everyone came together to celebrate and participate in activities that reflected the energy and meanings associated with the color red!

Parent Orientation program

On the 25th May 2024, Tattva School conducted a comprehensive Parent Orientation Program to welcome and familiarize new families with the school's ethos, curriculum, and community. The event was held in the school's auditorium and saw an enthusiastic turnout of parents eager to learn more about the environment in which their children would be nurtured.

Special Assembly

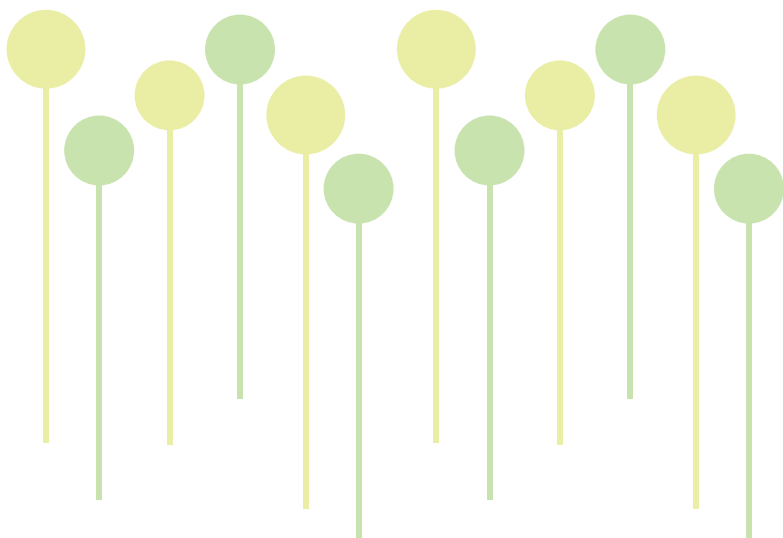

Welcome and Introduction

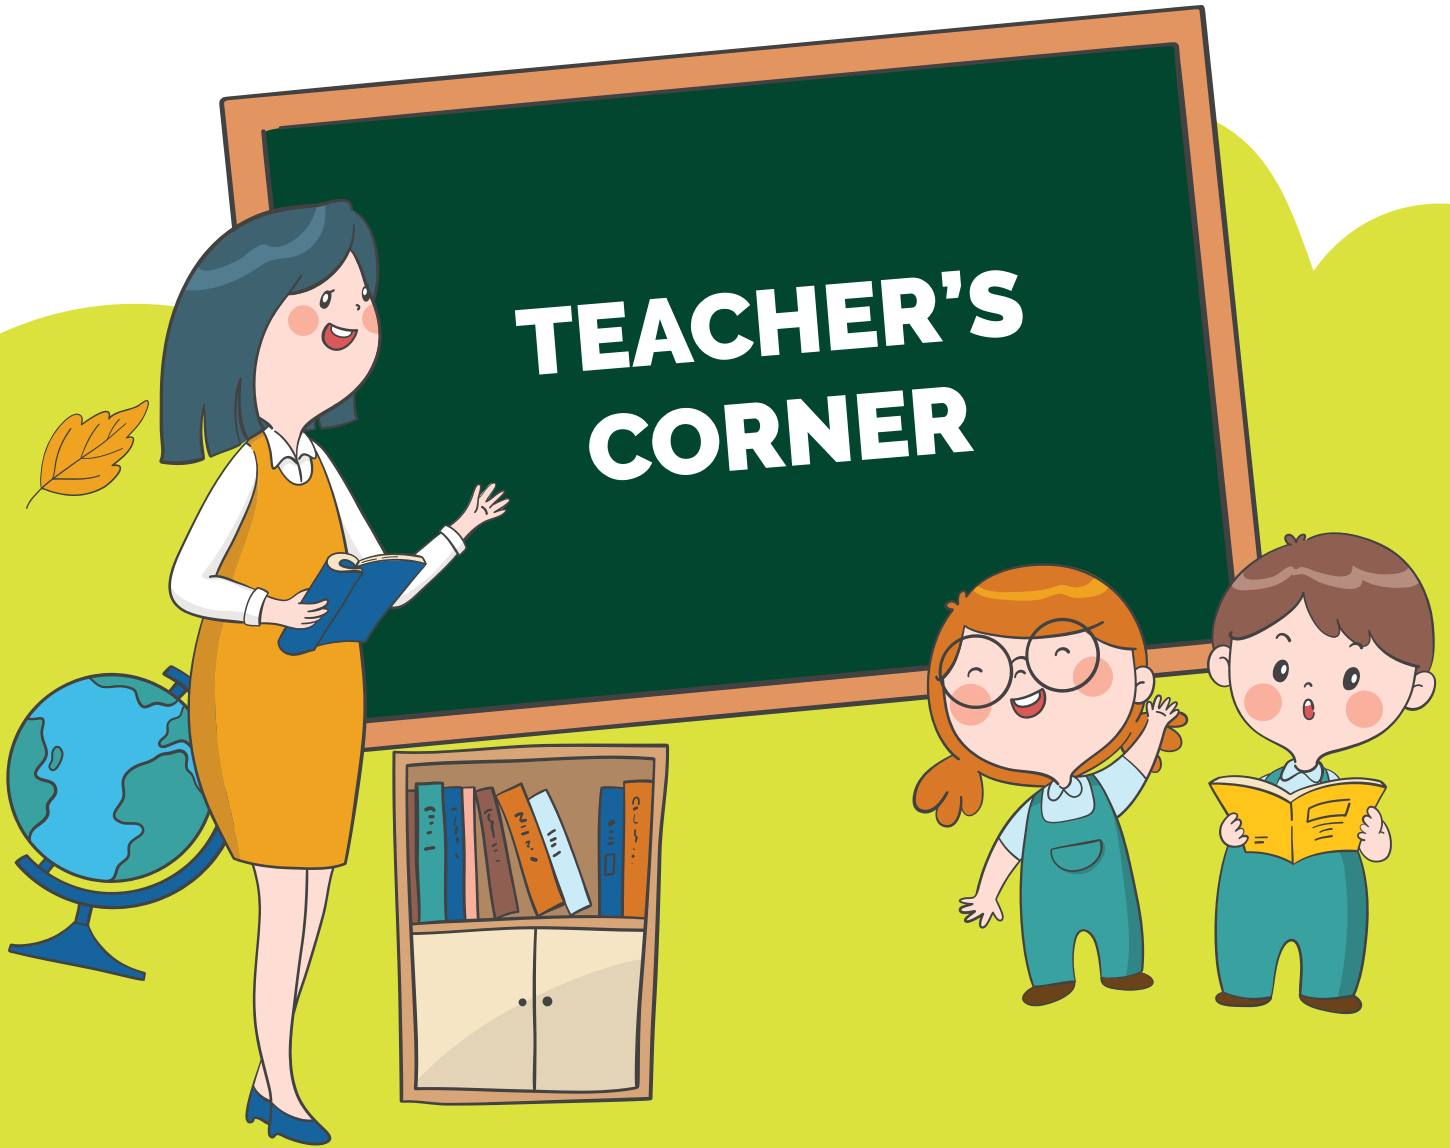

The program began with a warm welcome from the Principal, Ms. Mamatha Rao, who emphasized the importance of parent-school collaboration in fostering a supportive and enriching educational journey for the students. She highlighted the school's vision and mission, focusing on holistic development and academic excellence.

Overview of the Curriculum

Following the welcome address, the Head mistress, Ms. Shwethashree, provided an in-depth overview of the school's curriculum. She explained how Tattva School integrates traditional academic subjects with modern pedagogical approaches, ensuring that students receive a well-rounded education. Special emphasis was placed on the school's unique programs in STEM and its commitment to experiential learning.

She also took the stage to discuss the wide range of extracurricular options available to students. She outlined the various sports, arts, and music programs that are designed to cater to diverse interests and talents.

School Reopened for Preprimary

As a pre-primary teacher, I am thrilled to welcome our young learners back to Tattva International Preschool and Child Care. Today, there was an undeniable sense of excitement and joy as the children arrived, eager to reunite with their friends and teachers.

Our school campus buzzed with energy as teachers, administrators, and classmates warmly greeted each other after a long break. The familiar sounds of laughter and chatter filled the air, reminding us all of the unique and vibrant community we have here.

With the reopening of the school, we are dedicated to resuming our academic activities with enthusiasm and care. Our primary focus is to engage the children in meaningful lessons and activities that rekindle their love for learning.

**- Ms. Pratibha V,
Preprimary Teacher**

PARENT FEEDBACK

It was a well-organized and excellent motivational program for children. We enjoyed it and look forward to such well-thought-out interactions in the academic year.

- Mr. Balasubramaniam. S,
Parent of Shreehari Shubraveti, Grade VII 'B'

The Awards for Student Excellence Program is a superbly structured initiative. The children are greatly inspired to continue their academic success by this award.

- Mr. Prashanth G. T,
Parent of Suchith Reddy G. P, Grade VII 'A'

The school's initiative to honor students for their academic achievement is commendable, genuinely motivating the students to perform better. It's also good that the school has a student council since it inspires pupils to develop their leadership skills. Good luck to the school and the new cabinet members.

- Mr. B. S. Satish Kumar,
Parent of Dhyan. S, Grade VII 'A'

STUDENT'S CORNER

At Tattva School, the investiture ceremony was held on 15th June. The celebration was truly remarkable; students were awarded for their sheer hard work, which would motivate them to contribute more towards their academic, sports, and co-curricular activities. Students who have scored above 90 in different subjects were given certificates of appreciation. This moment would be an honor in every child's life and boost their self-confidence. I feel it's a great step taken by our school, as it would inspire students to reach greater heights and achieve what their hearts beat for.

- **Sriraksha Pavan**
Grade VIII 'A'
