

From the Principal's Desk

Dear Parents,

Greetings from Tattva School!

The Newsletter published in the month of August is always special to us as we host TIRANGAA the interschool literary and cultural fest. This year too, we celebrated TIRANGAA with the theme, INDIA- The Rising Titan along the Interschool Sports Fest-Sports Mania. Alongside portion completion, our students were also trained for both sports and literary competitions alike.

This year's event was a big success with 1018 students participating in it from 19 schools. Literary competitions took place in the school building and the sports activities in our grounds. It was overwhelming to witness such massive numbers participate in various competitions and fight for trophies and medals in various categories and for their respective schools.

I would also like share that the day witnessed some spectacular collaboration which was a showcase of great attitude, life skills, healthy competition, tolerance, mindfulness, strength, sportsmanship, teamwork and above all, camaraderie! The medals and trophies were shared by many schools alongside Tattva and TIRNAGAA championship trophy was bagged by NPS Banashankari. Kudos to Team Tattva for hosting the massive event with great enthusiasm, dedication professionalism and perfection. While all the participants enjoyed themselves, they also learnt about the ability, efficiency, performance and competition they need to face outside. Overall, hosting the event this year was rather heartening to Team Tattva.

It's time to gear up now for coming year's admission season. We need all cooperation and best wishes for an exemplary performance by the admin team at School.

Events & Activities

Alphabets Using Clay Dough - Nursery

To teach children how to use clay dough to create the letters A and B.

Outcome: The children were given clay dough to create the letters A and B. Under the teacher's guidance, they learnt to form a standing line, a sleeping line, and a curved line to shape these letters. The children were thrilled and enthusiastic about the fun activity, and they grasped the concept of these different lines with great understanding.

Collage Parts of the Face - Nursery

To familiarize children with the different parts of the face, including the eyes, nose, mouth, ears, and lips.

Outcome: Today, we engaged in a creative and educational activity centered around the parts of the face. Children were provided with cut-out shapes representing various facial features. They were tasked with assembling these parts on a blank face template, ensuring that each feature was placed in its correct location. The children participated in a hands-on collage project where they identified and arranged various facial features to create complete faces. This activity was designed to enhance their understanding of facial anatomy and improve their spatial awareness and fine motor skills.

CVC Words Reading

Children were asked to complete the puzzle and read the words.

Outcome: Completing puzzles helps children develop essential cognitive skills. As they manipulate puzzle pieces and figure out where they fit, kids improve their spatial awareness, hand-eye coordination, and fine motor skills. Puzzles also promote logical thinking, reasoning, and problem-solving abilities.

Activities @ School

Field Trip to Big Banyan Tree & Police Station

On a pleasant Monday 12th August morning, Kindergarten students were taken on a field trip to the Big banyan tree Kethohalli where they got a chance to see the 'Dodda Aalada Mara', literally translated to Big Banyan Tree, is a giant approximately 400-year-old banyan tree. This single plant covers 3 acres (1.2 ha) and is one of the largest of its kind. In the 2000s, the main root of the tree succumbed to natural disease, and thus the tree now looks like many different trees. Later kids were taken to the police station. The Police Sub-Inspector spoke to the children about how a police station operates. Students visited the control room, jail, FIR room and were informed about arms and ammunition like guns, pistols etc. They learnt how to call no. 911 in an emergency situation, ways to protect themselves and to avoid dangerous situations. Children were told what happens when a person is arrested, how police personnel works and how it helps officers do their job. Initially the children were very serious when they entered the police station, but when they interacted with the sub- inspector they found that the police man's are friendly and approachable. Overall, it was a wonderful experience for them which they will remember for days to come.

Five Sense Organs

To help children understand and appreciate the five senses—sight, hearing, touch, taste, and smell.

Outcome: At school, we organized an activity to help children explore the five senses. We demonstrated how each sense works by engaging them with various experiences: they touched different toys to feel textures, tasted sugar to explore flavour, smelled the fragrance of flowers to understand scent, and listened to beats to experience sound. Children enjoyed participating as we demonstrated each sense through hands-on experiences.

Activities @ School

Kannada Letter Puzzle

Children were asked solve the the puzzle saying the letter sound.

Outcome: By using their logical reasoning, they figure out which piece of the puzzle goes where thus also improving their memory. Therefore, this puzzle is a great first introduction to letters for children and this in turn promotes their literacy skills.

Making a Number 4 in Different Ways - Prep II

Knowing that numbers can be represented in different ways is key to building a strong foundation in the number sense.

Number Names - Prep II

Children were given a Tens Frame, and some chits with the number names written on them were kept on the table. Kids were invited to pick up the chit, read, and keep the number of pom-poms on the tens frame.

Outcome: Children gained a foundation for counting and mathematical skills.

Patterns

Enhancing Colour Recognition and Pattern Differentiation in Early Childhood Education

Outcome: In this activity, children wore uniforms with distinct colours and patterns, such as red and yellow, which helped them recognize and distinguish between different visual designs. To further reinforce their understanding of colours, they used red and yellow chairs. This setup allowed them to learn not only to identify and differentiate the colours but also to predict the sequence, understanding that yellow typically followed red and vice versa. This approach

Activities @ School

combined visual patterns with colour recognition, enhancing their ability to recognize and predict colour sequences in a playful and educational manner.

Patterns

Visual Learning and Cognitive Development in Early Childhood.

Outcome: In this activity, children worked with red and pink circle cut-outs to explore colour recognition and sequencing. By arranging these circles, they learned to identify and differentiate the colours while predicting and understanding the sequence in which colours typically appeared. For example, they observed that yellow often followed pink and vice versa. This method combined visual pattern recognition with colour differentiation, making the learning process both engaging and educational.

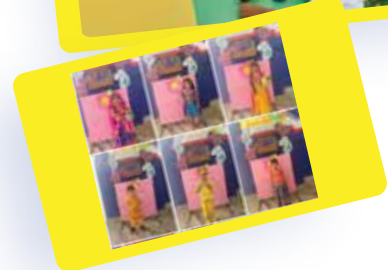

English Alphabet - Prep I

To teach children how to use play dough to make the letters ABCDE.

Outcome: Children were asked to make the letters ABCDE using play dough. Children enjoyed the fun activity and learnt the formation of letters. By doing this activity children enhanced their fine motor skills and formation of letters.

Krishna Janmashtami

At Tattva school Kumbalgodu, Krishna Janmashtami was celebrated by the staff and students of Pre-primary on Thursday, 22nd August 2024. Janmashtami is celebrated as a symbol of the end of darkness and rooting out of the evil forces.

Activities @ School

Our assembly began as usual with the school prayer, followed by the word of the day, the thought of the day, the pledge, and the national anthem. Later, the children were led to the quadrangle area where Lord Krishna Pooja was taking place, right in front of our school principal, Mrs. Mamtha Rao and school staff. We were able to capture this lovely occasion with our little Krishna's and Radhes. Later on, performances of Little Krishna's stories and fancy dress competitions were held in the respective classrooms.

Independence Day

Tattva School Celebrates Independence Day with Vibrant Festivities

Tattva School, 15th August 2024 – Tattva School joyously celebrated Independence Day, honouring the nation's heritage with a series of engaging activities. The day commenced with a flag hoisting ceremony, led by the school's principal, who delivered an inspiring speech emphasizing the significance of freedom and unity.

Students, dressed in vibrant tricolour attire, assembled in the school's playground for the celebrations. The event featured a variety of performances including patriotic songs, dance routines, and a skit depicting India's journey to independence. Each performance was a testament to the students' enthusiasm and the rich cultural tapestry of the nation.

A stirring skit by grade VII students captivated everyone with the story of Ahzma, a young girl determined to join the army despite her parents' initial reluctance. The performance, titled "Wings of Will," vividly depicted Ahzma's journey through numerous challenges and rigorous training. Her relentless perseverance and unwavering spirit eventually earned her a

Activities @ School

place in the army, bringing immense pride to her family and the nation. The emotional climax, where her parents, moved by her success and dedication, embraced her with pride, left the audience with Goosebumps and a deep sense of admiration.

A highlight of the day was the speeches delivered by the language teachers in different languages, who reflected on the values of courage and perseverance embodied by the freedom fighters and the significance of Independence Day. Their words resonated deeply with the audience, fostering a greater appreciation for the sacrifices made for the nation's freedom.

The Independence Day celebration at Tattva School was a resounding success, capturing the essence of patriotism and unity, and leaving a lasting impression on students and staff alike.

Tirangaa & Sports Mania Event at Tattva School

Tattva School proudly hosted the vibrant Tirangaa event, which saw participation from 16 schools, including Tattva. The event was graced by the esteemed presence of Mrs. Meena Jaychandra, who honoured us as the Chief Guest. We were also blessed to have the trustees of Tattva School, Mr. Shravan Gupta and Ms. Shalini Gupta, along with Mr. Manjunath, Cluster Head of Admissions at Ryan Education, and Mr. Venkatesh Sir, Head of Marketing at Ryan Education.

The day was packed with an array of exciting events tailored for different grades. Students showcased their talents and competitive spirit in events like Living Legends, Piece by Piece, Share and Shine, Swift Sports Challenge, Rap Blitz, Chrono Canvas, Giggle Gaga, Venture Adventure, and The

Activities @ School

Great Escape. The energy was palpable as students participated with enthusiasm, making the competition fierce and thrilling.

The culmination of the event was marked by the announcement of the coveted rolling trophy, which was won by NPS Banashankari, highlighting their outstanding performance across the various events. It was truly a fun-filled day that left everyone with cherished memories.

Tattva school organized Sports Mania on 30th August 2024. The school's expansive playground served as the venue for the day's events, it was with immense joy and pride that we gathered for the interschool fest - Tirangaa and Sports Mania. Sports not only promote physical well-being but also teaches us valuable life lessons like teamwork, discipline, determination, and resilience. Besides, it provides a platform for individuals to showcase their skills and push their limits. So was our SPORTS MANIA... We have started the event by igniting the Olympic flame which ignited the passion of sporting spirit. The flame represents the endeavor for protection and struggle for victory. Then our principal ma'am officially declared the OPEN OF SPORTS MANIA. Around 424 participants from many schools competed in various sports like ATHLETICS, BASKET BALL and CRICKET....

The winners were awarded by the school Principal ma'am. The event concluded with a vote of thanks and a hearty cheer from the audience.

Special Assembly

Assembly on Independence Day - Pre-primary

Independence Day was celebrated with patriotic fervour by Pre-primary students and teachers during the connect time.

Special Assembly

The children were attired in the colours of the Indian freedom fighters and proudly wore badges of our flag carefully crafted by them. Some of them narrated how they celebrated Independence Day by singing patriotic songs and making our national flag at home. They listened attentively to the story of our freedom movement and were enthralled by the puppet show they had seen. They actively participated in speaking about our national symbols and discussed the importance of freedom. They also were happy to see the surprise video sent by the Pre-primary teachers which depicted the unity and diversity of our nation. The celebrations concluded with great pride saluting our mother land. Jai Hind!

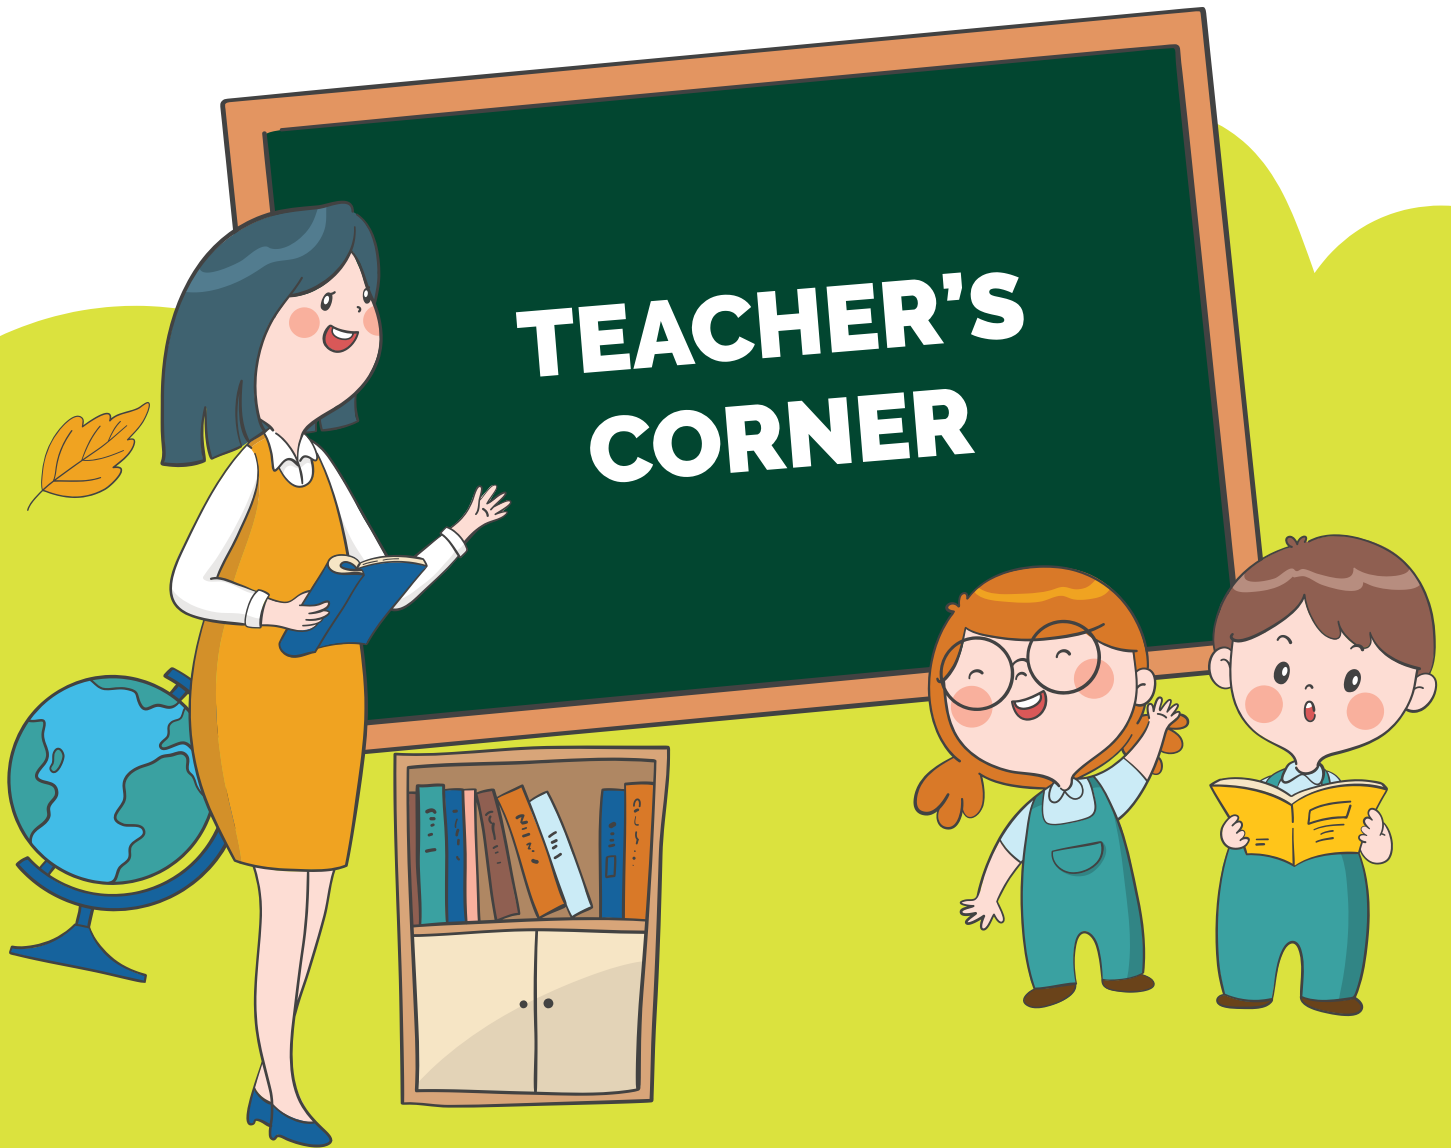

Special Assembly on Green Day

The children of Pre-primary celebrated a fun filled green day on Thursday, 29th August 2024. All the children were smartly dressed in all the possible shades of green to join the class to celebrate green day. Presentations of things that are commonly found in green were shown and they understood about the importance of green colour in our lives. The day was more fun and memorable because children made frog and tree head gears, which they loved wearing and sandwich making competition was conducted in the class using green Vegetables Thus, the green day ended very fruitfully.

Special Assembly on Family Day

The family is the foundational unit of human society. That's where our very first love was discovered. love between the family's members. Our earliest experiences and lessons were also formed within our family. Thus, maintaining the safety and security of one family, developing a close relationship, and creating memories are crucial. On 8th August, our Pre-primary class held 'Family Day' to highlight the value of family and our family members. Youngsters were instructed to dress up as members of their family, and they looked amazing. The national song was played at the conclusion of the assembly, which began with the message of the day, thought for the day, pledge, and school prayer. This lovely gesture was caught on camera with our principal.

It's my pleasure to work with great management. Our principal madam is really cooperative and kind. She helped me a lot, not only at work but also personally. I am very happy to work here. I must admit that I am quite happy to be a part of the 78th Independence Day special occasion at our prestigious institution. I had a great time at the celebration and was thrilled to be a part of it. The program was well organized, and we did a great job of executing it. I wish you all the very best for the many more years to come.

Pre-primary - Teacher**

PARENT FEEDBACK

"Tattva School's Sports Mania has been a game-changer for my child, Harshavardhan's physical and mental well-being."

As a parent, I've always been concerned about my child's overall development. When I enrolled them at Tattva School, I was immediately impressed by their emphasis on holistic education. The Sports Mania program has been a standout feature.

- Ms. Satyanarayan
Parent of Harshavardhan - Grade X 'B'

Star Of The Week

Star of the Week is one of the best ways to get to know our students on a more personal level. Students feel distinct for a full week, which encourages classroom community.
